Recommendations:

This is our top of the line standard professional box camera. With an on-board menu providing full control over all functions of the camera you are assured to capture the image in the manner in which you choose. Combine this camera with a heater/blower enclosure and a strong Auto Iris lens and you have a winning combination.

Accessories:

We stock wall mounts for this camera in black and silver. We also have a universal mount that will attach to a drop ceiling rail and you can also get a multitude of lens combinations right out of our warehouse in New York.
