

Model: Day/Night Professional Camera

- Features:
- 1/3 550 TVL Sony Super HAD CCD
 - On Board Menu
 - Dual Mounting tabs
 - .2 Lux
 - 12v DC

Specifications:

Part No.	B3000HQ
Pick up Device	1/3 Sony Super HAD CCD
Signal Format	Pal/NTSC
Picture Element	Pal: 752H x 582V NTSC: 768H x 494V
Horizontal Resolution	550 TVL
Sensitivity	Color 0.5 Lux B/W .2 Lux
Infrared LED	N/A
Scanning System	2:1 Interlaced
Synchronization	Internal sync
S/N Ratio	48db (AGC off)
Auto Gain	Switchable
White Balance	Switchable
Electronic Shutter	1/50~1/100,000 sec
Back Light Comp	Switchable
Video Out	1 Vp-p 75ohm composite, BNCx1
AES	On/Off Switch
Mirror	No
Gamma Ratio	0.45
Lens	No Lens
Lens Mount	CS Mount
Power Supply	12v DC (+/- 10%)
Power Consumption	1.8 Watts
Dimensions	118(D) x 55mm (W) x 56mm (H)
Net weight	320g
Weather Resistance	N/A
Operating Temperature	-10C~50C RH 80%

Recommendations:

This is the first in our high end Color Day/Night Professional box camera series. This processor produces the same images as our next level excluding dual voltage and a super low lux rating. Install this camera anywhere crystal clear images and rock solid durability is required. Place this camera in an enclosure and mount it outside for excellent results. There is also a wide variety of dip switch settings on the back of the camera to assist in providing the best possible image.

Accessories:

We stock wall mounts for this camera in black and silver. We also have a universal mount that will attach to a drop ceiling rail and you can also get a multitude of lens combinations right out of our warehouse in New York.
