Optional Mounting	VESA Compliant External Mounting (optional)
Exterior Color	Black
Standard Mounting	Desk Top
Warranty	1 Year Limited
Source	Composite Loop BNC/S-VHS

Recommendations:

This is a BNC monitor with a loop through and S Video as well as VGA inputs. This monitor allows integration with older analog out only DVR's and will also work well with a camera loop through on way to DVR. This would work well as a spot monitor at front door.

Accessories: Wall Mount, Touch Screen
